

Please join the Women of Temple Sinai for our
27th Annual WTS Shabbat Service
Friday, February 23, 2018 * 7:30 pm
Temple Sinai * Albers Chapel
2808 Summit Street * Oakland

All community members are warmly invited and welcomed to this inclusive, innovative, and inspirational service – with prayer interpretations written and read by the Women of Temple Sinai, along with musical accompaniments to encourage full congregation participation.

This year's Torah Portion is *Tetzaveh*, and the theme derived from it is "Gems of our Soul". Please be one of our congregational gems as we pray and sing together on February 23rd!

WTS is proud to be and represent a collective voice and presence of women in congregational life. WTS supports Jewish ideals and works to enhance the quality of Jewish living, ensuring the future of Temple Sinai and Progressive Judaism in North America, Israel, and around the World.
